## Chapter 1: Begin with Yourself

### Share Your Reflections with Kelly

Write a message to Kelly Matthews with your reflections on how she learned to rethink her approach to curriculum in “The Impression Ben Made.”

Consider including your thoughts about the following:

- What did Kelly think she was missing in her approach to curriculum planning?
- How did she use the environment and materials to learn about the children’s perspectives?
- What new insights did she have about her role as a teacher?
