Chapter 4: Putting the Child Back in DAP

Practice What You've Learned

Notes about Your Current Observation Practices

Use the following questions to help you reflect on your current observation practices. Jot down your response to each of the questions below.

1. How would you assess your current observation and documentation skills?

2. What are the barriers that keep you from regular observation?

3. What strategies could you use to overcome these barriers?

4. How do you use your observations in your curriculum planning?
