Chapter 7: Caring for Infants and Toddlers

Practice What You've Learned

Notes about Your Current Approach to Caring for Infants and Toddlers

Reflect on your approach to caring for infants and toddlers. Use the following questions to get you started. Record your reflections in the space provided.

1. How can you become more aware of your nonverbal cues to infants and toddlers?

2. What everyday routines could you turn into a curriculum chart for recording your observations?

3. What new materials will you offer to engage infants' and toddlers' lively minds?

4. What will you do to notice and enhance infants' and toddlers' curiosity and learning?

5. What other changes would you like to make?
