Do not report any meals served to your own children (even if they are reimbursed by the Food Program).

* The IRS standard meal allowance rate for 2023 used in these calculations is based on the Tier I rate as of January 1, 2023. This rate is used for all meals and snacks served throughout 2023, even though the Tier I rate goes up every July. All providers, whether on Tier I or Tier II (and all providers not on the Food Program), will use the rates listed.

† Enter this amount on Form 1040 Schedule C, Part V. Be sure to enter any reimbursements from the Food Program (with the exception of reimbursements for your own children) as income on Form 1040 Schedule C, line 6.
