The Comfort of Little Things: An Educator's Guide to Second Chances

"I could see that I wanted to reclaim the promise of my life and discover how to live more deeply, meaningfully and, above all, spiritually. And so I stepped away from the known . . . to risk the unknown." An inspiring story of the journey of second chances and a guide to offer yourself and others an opportunity at the life we all deserve.

"The Comfort of Little Things is a true gem! . . . Holly Bruno presents the fundamental truths for how to live more deeply, meaningfully, and spiritually."

- PAULA JORDE BLOOM, PHD, FOUNDER, MCCORMICK CENTER FOR EARLY CHILDHOOD LEADERSHIP
